

Dear Potential Buyer:

5316 4th Street

Zephyrhills FL 33542

We decided on this home over the other houses we saw because: Beauty, Character, Built-Ins, Location

Be sure to notice these features about our house: Garage with Decked Attic Space. Large Fenced Back Yard, Lots of Privacy

While living here, we have really enjoyed the benefits of: Wonderful Neighbors, Close Proximity to Park and Downtown Events

Our neighborhood is enjoyable because: Quiet and Good People on all Sides

The thing we are going to miss most about living here is: Jacuzzi Tub, Garage (Workshop /Weight Room), People
